# At tænke på:

---

- Hos Freebird Airlines betragtes børn, der er fyldt 12 år (eller fylder 12 før hjemrejsen), som voksne, og skal indtastes som voksen ved login. Dette skyldes IATAs regler ved køb af flysæde og gælder også, når du har bestilt via Nazar, hvor børn over 12 år betragtes som børn.
- Desværre kan Freebird Airlines ikke reservere eller blokere flysæder for nogen. Ønsker I en bestemt plads eller at I alle sidder ved siden af hinanden, skal I logge ind og bestille og betale for disse.
- Har du købt bagage eller måltider på flyet via Nazar, er det Nazars billet, der gælder. Har du købt ekstra bagage, gælder kvitteringen fra Freebird Airlines.
